

# SEAS MUSIC MINISTRY

2010 - 2011

This pamphlet was revised 7/10

## Mission Statement

Our mission is to empower the community at SEAS to actively participate in praise and worship with one voice in song. We will initiate, educate and lead them in music at our liturgies.

## Recruitment and Requirements

All the choirs are currently accepting new members as singers and instrumentalists. Rehearsals and mass attendance is a must and being able to carry a tune is essential in being in the music ministry. Please call the individual contact person for the choir of your choice if you would like to join or if more information is desired.
